

Official Rules for The Great Treasure Hunt

The Great Treasure Hunt is a contest created for the enjoyment of listeners.

Between June 15th 2026 and August 8th, 2026, Christian FM will hide up to 7 keys, held in small boxes, between Melbourne and Stuart. No purchases will be needed to find the location of a hidden key. Clues on where to find the keys will be announced on the radio and may also appear on the station website and Facebook page. Anyone who finds a key will be deemed a “key finder” and will be awarded some authentic Spanish Treasure valued at over 100 dollars.

All “key finders” will be eligible for a grand prize drawing event scheduled for August 8th, 2026, with the winner receiving Spanish treasure valued at four thousand dollars. In the event a “key finder” cannot attend the grand prize drawing, they may designate someone to represent them at the event. No key finder can win the grand prize drawing in two consecutive treasure hunts.

Random Prize

After the contest begins, registration boxes will be located at announced locations. Participants aged 18 and over may fill out an entry and place it in the registration box.

One entry allowed per person, per box location. No purchase required. The deadline to place an entry is before the location closes for business on July 31st, 2026.

Entries from all the boxes will be combined and a random winner will be selected at the contest finale event. The winner does not have to be present to win the prize of real Spanish treasure valued at over 100 dollars.

Eligibility

All “key finders” must register for a “hunting license” at Christianfm.com. All “key finders” must be at least 18 years of age but may receive help from someone of any age. Once a key is found, everyone in the “key finder’s” household is ineligible to find more keys during the 2026 contest. “Key finders” are also ineligible to win the random prize drawing.
